Dear Parent/Carer,

We would like to welcome your child as a member of Mirfield Cricket Club (MCC). You will all be welcome to use the clubs facilities when you come to collect or watch on practise nights and match days. We hold various social events throughout the year which you are all welcome to attend.

Annual Club membership - £30.00

Practice sessions are on Friday nights 6.30pm – 8.30pm – included in annual membership.

Matches are held on various days to be confirmed by the team managers.

Your child's safety is of paramount importance to us, cricket like many sports can be dangerous and it is therefore very important that all participants always adhere to the instructions from the coaches and managers to minimise the chance of any accidents happening.

Our club is required to adopt and implement the ECB Welfare of Young People in Cricket Policy. The following pages give you an outline of the actions taken by Mirfield Cricket Club to ensure our adherence to the ECB policy.

Please read the following pages and sign the Annual Application for Junior Membership Form and return the completed form to the team coach the next time your child attends, be it for practise or a match. If the forms are not returned fully completed your child will not be allowed to attend any session at the club as this would contravene our Child Welfare Policy.

Thank you for your co-operation in this matter, we are sure you will appreciate how important this issue is. Further we hope your child enjoys his cricket here at MCC and that they remain a member of the club for many years to come.

I can be contacted on 01924 521213

Yours faithfully

Gillian Young

Child Welfare Officer

Mirfield Cricket Club

P.S. I also take the bookings for the Cricket Club Lounge so if you would like to hold a party or function at the Club give me a ring.
